

Your child's E-portfolio has been updated! Please have a look at what your child has accomplished so far this year!

E-portfolios are a collection of student works that showcase student learning progress, and reflections of their learning. The e-portfolios may contain art projects, writing samples, video clips of language learning, pictures of classroom fun and much more. There will be samples of edited as well as unedited work throughout the year, which will provide a sample of your child's ability at that point in the year. This will allow you to see the wonderful progression of learning that your child is following throughout this year.

Here's how to access your child's E-portfolio.

	Our E-Portfolios
	To access your e-portfolio, go to Gmail and login using your student name and password.
	Once you are in the email account, click on the App launcher on the top right hand side of the screen.
	Click on the Sites icon and your eportfolio will appear in the list. Click on it to open it.

[Click on the tab for their current grade as well as the current term tab underneath the grade heading.](#)
