Principal's Message

As the calendar rolls over into June, it is a time to look back on the year as we await the beginning of summer. This has been a busy year full of learning and fun here at Barrie Wilson. The year started off with us welcoming many students to our school, most of whom moved over from Grandview Elementary. All of our new students and their families have been great additions to our school community, enhancing the great culture here at EBWS. One of the highlights of this school year was the creation of our school song. It was great to see all of our students working together with our songwriters, Mr. Niemetz and Mrs. Lehman, to create a wonderful song that speaks to our positive school culture. We have also made a lot of progress on our accessible playground project this year. I would like to thank all of the parents who supported our playground fundraisers this year. We are still on track with our goal to have the playground installed next year.

The end of the school year also brings some staffing announcements. We would like to say congratulations and good luck to Mrs. Wirtanen, who was recently named Vice-Principal at Normandeau School. She will definitely be missed at our school, but we wish her good luck in her new position.

We have many exciting events and field trips planned for the month of June. I look forward to seeing many of you at our year end events. Wishing all of our EBWS families a safe, fun and relaxing summer!

Mr. Good, Principal

The money earned by the parent council and by those of you who support their events will be used to support the new playground. Our council has also helped support our Benevolence Fund, field trip costs, special guests like the Science Guy, classroom resources, and ice treats for all the students on field day. The final parent council meeting of the year will be a potluck on June 11 @ 7:00 p.m. Everyone is welcome to attend.

Red Deer Public Library's TD Summer Reading Club!

Help prevent the "summer slide!" Sign your kids up for Red Deer Public Library's Summer Reading Club, featuring at-home reading (with prizes!) and awesome

free programs at all branches all summer long! Registration begins June 16, with the kick-off party on June 23 @ 2:00 p.m. at the Downtown Branch. More info at <https://www.rdpl.org/src>. This free, national reading club is designed to motivate and encourage students to develop and improve their reading skills throughout the summer with various fun-filled activities and incentives. This year's theme is "Geek Out: Feed Your Passion!" Track your reading and earn book prizes, win prizes for coming to programs, and get a jump on your summer reading.

Field Trips

All of the classes in the school will be heading out on field trips this month. Sometimes parents may wonder how we decide where students go on field

trips. At EBWS we are trying to use the curriculum as the main reason for selecting locations. The field trip location will mostly depend on what the students are studying. Our students will be visiting places like Rocky Mountain House, Markerville, Kerry Wood Nature Centre, Ellis Bird Farm, Alberta Sports Hall of Fame, Safety City and the Jungle Farm. Our grade 5 students will be heading out on their overnight grade 5 camp.

Kindergarten Registration-

Kindergarten registration for 2018-2019 continues. This year we offer the choice of full day French

Immersion and full day English Kindergarten every other day. There will also be a morning or afternoon Kindergarten in our English Program. All students who turn 5 before December 31, 2018 are eligible. Once you complete the online registration, you will be required to submit a copy of your child's birth certificate to the office to complete the registration process.
